WELCOME

Welcome to our PRIDE - South Newcastle JRLFC for our 2022 season.

Our PRIDE consists of over 400 junior players, +100 registered volunteers, + 1,600 followers on Facebook and over 60 local businesses that generously support our club.

The South Newcastle Lions are a foundation club established in 1910 and one of the eldest clubs in NSW.

Our club is family oriented, community minded, fun. We value teamwork and mateship. And we cater for all players – those who aspire to play in the NRL, those who want to play Seniors for the Mighty RED & WHITE or those who want to have fun with their mates.

We have several former NRL players involved at Souths. Their involvement at the Mighty Lions ranges from coaching our juniors, running water on game day, assisting at training and just being parents.

Five of our former junior PRIDE players have gone from playing in the RED & WHITE to playing at the top and having an NRL career – Lachlan Fitzgibbon, Sione Mata'utia, Pat Mata'utia, Chanel Mata'utia, Tex Hoy and Clint Newton. Another one of our junior players Ben Simmons currently is an elite basketball player in the NBA.

2022 and beyond we are looking at growing & retaining current junior players at our club and forming stronger links with our Senior Club to provide our players with a pathway to continue playing in RED & WHITE. We hope that many of our junior's players will rack up milestones for their service to Souths for 100 games & 10 years' service.

Our parents, carers and families succeeded in adapting to the COVID procedures and policies in 2020 & 2021 season. We are hoping to have mums, dads, grandparents, and extended families return to the sideline for the 2022 season to cheer on our PRIDE, however we want our supporters to be encouraging and supportive of all players and to follow the PHO's and COVID procedures in place at ground day, trial, training, and any other events during the season. We thank you in advance for your assistance to make this possible, as our goal is for the players to be playing the sport they love and the greatest game of all.

To stay updated / informed during the season, please follow and like our Facebook South Newcastle JRLFC and our website for special announcements and game day information. Don't forget to download the WhatsApp for team group communication. And look out for No Reply emails from the club database throughout the season.

PLAYER & TEAM DEVELOPMENT PRINCIPLES

South Newcastle Junior Rugby League football club was one of the earliest junior clubs in the Newcastle region.

During that time, our club has developed a culture that is based on a “family” approach, where we value every person in the club and look to be inclusive of all players, their families, volunteers, and supporters. We are a proud club and have achieved success over many years with strong participation in the junior rugby league competitions over many years.

As with any sporting organisation we have adapted to the different expectations of our community along with changes in the expectations of the people who make up our club. Our club competes with many other sports in our community including rugby union, Australian Rules, Netball and Soccer (as the major sports).

2019 Premiers – Under 16'S Div 1, Under 11's Div 1 & Under 10's Thomas Cup

2020 Premiers – Ladies League Tag, Under 16's

2021 Premiers – Under 13's Div 1, Under 16's Div 2 & Under 17's Div 1

The NRL have developed a player framework which is being progressively adopted to focus on attracting players to the game and retaining their involvement over time.

For further details on Player Development Framework please scan the below QR code

Our goal is to be “the junior sporting club that players want to play with”. In recent years, our club has based our approach to attracting and retaining players has been based on the following 3 core principles:

1. Fun – players have choice in what they do. Creating an environment where players are enjoying themselves and having fun is our highest priority and is the key to retaining players involved in the club.
2. Friendship – we aim to create an environment where players can meet new friends and create lasting friendships When you play with Souths, you are part of the big Junior Lions Family
3. Develop the Skills of all players – every member of our club is important. Some players develop early, others develop later as they grow. Our approach is to help our players to be the “best player” they want to be.

Our committee is committed to these goals, understanding that if we are successful in achieving these outcomes, our club will be successful and winning teams will come from that.

Our Approach to Teams

Under 6– Not Graded, Play with friends –Tackle Ready Framework

These ages are the entry level for our youngest players. The modified game is focused on participation and skill development. In these ages we work with the players and their parents involved to where possible allow players to be in teams with their friends as an introduction. The

2018 Premiers – First Grade, Open Grade Under 15’s Division 3, Under 12’s, Under 11’s Red & Under 10’s Reds

2019 Premiers – Under 16’S Div 1, Under 11’s Div 1 & Under 10’s Thomas Cup

2020 Premiers – Ladies League Tag, Under 16’s

2021 Premiers – Under 13’s Div 1, Under 16’s Div 2 & Under 17’s Div 1

focus is largely on fun and learning the basic skills, with the team environment allowing new friendships to develop.

The Safe Tackle Framework will be rolled out across Newcastle for the 2022 season.

Under 7 – Not Graded, Play with friends –Tackle Ready Framework

These ages are the entry level for our youngest players. The modified game is focused on participation and skill development. In these ages we work with the players and their parents involved to where possible allow players to be in teams with their friends as an introduction. The focus is largely on fun and learning the basic skills, with the team environment allowing new friendships to develop.

Under 8 –Not Graded, Play with Friends

These ages are the start of the development level, with the emphasis still heavily focused on having fun and developing skills that are required in rugby league. There is no competition in these ages and our approach is to allow where possible our players to play with their friends.

Under 9 – Under 12 – Some grading – teams to be selected to give all people opportunity

These ages play a modified rugby league game. Over recent years, we have found that the enjoyment and development of players in these ages is critical to the retention of players when they move to high school as Under 13. Souths juniors have adapted our approach in these ages over the last 10 years to focus on retaining players into the older junior age groups.

Our approach in these ages is to select teams that are subject to some grading because they will be playing other clubs who have different level capability in different teams. The goal here is to ensure all teams have the ability to compete in the division they are placed whilst developing all players to be the best they can be. The grading process will be conducted based on previous experience, coaches, and committee input.

Under 13.- Under 15 – Graded, SafePlay Code

All teams are graded and participate in the appropriate competition within the Newcastle & Maitland Region

Under 16 – Under 17 – graded, Full International Rules

All teams are graded depending on skill level in the appropriate competition.

Under 18 –

Where there are sufficient players in our senior club Under 19 age group, Souths juniors will register teams in an ungraded under 18 competition in the Newcastle & Maitland region competition.

Summary:

Our club is focused on creating a strong community club that has a high number of participants. We aim to be the club that people want to play for. We know from our history that if we do this well, we will be successful and win our share of premierships.

The Souths juniors Committee have endorsed this approach to team selection and player development which is in line with the NRL Player development approach.

How can I volunteer / assist the club?

We understand that everyone is busy, but Souths Newcastle is run by volunteers. We call for parents / carers to help share the load during the season. We have official roles that required weekly commitment

OFFICIAL ROLES

Coach, Manager, First Aid Responder, League Safe, Ground Manager, Sports Trainer, Committee Member

**All volunteers with an official role MUST register on the database www.playrugbyleague.com and hold CURRENT official NRL accreditations & Valid Current Working With Children Check*

If you are interested in an official role please email secretary.southjrffc@gmail.com

NON-OFFICIAL ROLES

Volunteers to assist in setting up the fields on game day, packing away on game day, assisting with cooking the BBQ or serving in the canteen, assistant ground managers

ALL families will be asked to assist with these roles during the season, your manager will allocate families to assist to with these roles, if you are unavailable to assist on the date you are rostered on, please swap with someone else in the team.

Remember all proceeds from sales in canteen / BBQ go towards reducing our registration fees and end of year presentation. Thanks, in advance for helping during the 2021 footy season.

Insurance claims / injuries whilst playing

To be covered by insurances, all players MUST be registered. If a player is injured at training or during a game the injury must be reported (no matter how big or small) to club Secretary Julia. secretary.southjrlfc@gmail.com

If an insurance claim is lodged for expenses incurred by player / parents to treat an injury, the insurance provider covers up to approx. \$800.00 in costs *subject to Insurers terms & conditions apply. Reimbursement for costs can be a length process.

Can my child play up an age grade during the season?

We have teams in all age groups for 2022, thus all players are required to play in their own age division for 2022 season.

There are only special circumstances where players may play up and age division i.e.) assisting a team with limited players due to registrations in age group or injuries during season.

For a player to play up a division, there is a NJRLA policy that must be adhered to.

Players must also fulfil their commitments to their own age division as a priority.

Prior to a player taking the field for a higher age group they **MUST** have endorsement from the club President Graeme Fitzgerald and

- Must have completed the Age Consent Forms and send them to Graeme Fitzgerald for endorsement
- Age Consent Forms must be sent to NJRLA for endorsement
- Age Consent Form must be APPROVED by NJRLA

If a player is playing up an age group without the Clubs/NJRLA endorsement they may NOT be covered by insurance if they are injured on the field.

SPONSORS

We would like to thank all our valued sponsors returning for the 2022 football season, and a warm welcome to our new sponsors joining our PRIDE. Without the support of these generous businesses and individuals we would not be able to provide new jersey and training equipment for our little lions.

Please keep an eye out on our Facebook page for details on all the businesses that support our club. and we ask all our PRIDE to support the businesses that support us.

We will be updating our sponsors tile and announcing all our new 2022 sponsors shortly.

If anyone is at all interested in becoming a sponsor, please contact Simon Young 0410 525 926
